SECTION IV - GENERAL CONTRACT REQUIREMENTS

PART 1: TERMINATION CLAUSES

- A. This Contract may be terminated by the County without cause, in whole or in part, upon providing the Consultant ten (10) calendar days' advance written notice of the termination.

If the Contract is terminated pursuant to this Section IV, paragraph A: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination; and (2) the Consultant shall be released from any obligation to provide further services pursuant to the Contract.

- B. The County may terminate this Contract, in whole or in part, upon five (5) calendar days' advance written notice in the event: (1) the Consultant materially breaches any duty, obligation, or services required pursuant to this Contract, or (2) the duties, obligations, or services required herein become impossible, illegal, or not feasible.

If the Contract is terminated by the County pursuant to this Subsection IV(B) (1), the Consultant shall be liable for damages, including any additional costs of procurement of similar services from another source.

If the termination results from acts or omissions of the Consultant, including but not limited to misappropriation, nonperformance of required services or fiscal mismanagement, the Consultant shall return to the County immediately any funds, misappropriated or unexpended, which have been paid to the Consultant by the County.

- C. If expected or actual funding is withdrawn, reduced or limited in any way prior to the termination date set forth above in Section II or in any amendment hereto, the County may, upon written notice to the Consultant, immediately terminate this Contract in whole or in part.

If the Contract is terminated pursuant to this Section IV, paragraph C: (1) the County will be liable only for payment in accordance with the terms of this Contract for services rendered prior to the effective date of termination; and (2) the Consultant shall be released from any obligation to provide further services pursuant to the Contract.

Funding under this Contract beyond the current appropriation year is conditional upon appropriation by the County Council of sufficient funds to support the activities described in this Contract. Should such an appropriation not be approved, this contract will terminate at the close of the current appropriation year.

- D. Nothing herein shall limit, waive, or extinguish any right or remedy provided by this Contract or law that either party may have in the event that the obligations, terms and conditions set forth in this Contract are breached by the other party.

PART 2: INDEMNIFICATION AND HOLD HARMLESS

- A. In providing services under this Contract, the Consultant is an independent contractor, and neither the Consultant nor its officers, agents or employees are an employee of the County for any purpose. The Consultant shall be responsible for all federal and/or state tax, industrial insurance, and Social Security liability that may result from the performance of and compensation for these services and shall make no claim of career service or civil service rights which may accrue to a County employee under state or local law.

The County assumes no responsibility for the payment of any compensation, wages, benefits or taxes to, or on behalf of, the Consultant, its employees or others by reason of this Contract. The Consultant shall protect, indemnify and save harmless the County, its officers, agents and employees from and against any and all claims, costs and/or losses whatsoever occurring or resulting from 1) the Consultant's failure to pay any such compensation, wages, benefits or taxes; and 2) the supplying to the Consultant of work, services, materials and/or supplies by Consultant employees or other suppliers in connection with the performance of this Contract.

- B. The Consultant further agrees that it is financially responsible for and shall repay the County all indicated amounts following an audit exception which occurs due to the negligence, intentional acts or failure for any reason to comply with the terms of this Contract by the Consultant, its officers, employees, agents and/or

representatives. This duty to repay the County shall not be diminished or extinguished by the prior termination of the Contract pursuant to the Duration of Contract, or the Termination section.

- C. The Consultant shall protect, defend, indemnify, and save harmless the County, [and the State of Washington (when any funds for this Contract are provided by the State of Washington)] their officers, employees, and agents from any and all costs, claims, judgments, and/or awards of damages, arising out of or in any way resulting from the negligent acts or omissions of the Consultant, its officers, employees, and/or agents. The Consultant agrees that its obligations under this subparagraph extend to any claim, demand and/or cause of action brought by or on behalf of any of its employees or agents. For this purpose, the Consultant by mutual negotiation, hereby waives, as respects the County only, any immunity that would otherwise be available against such claims under the Industrial Insurance provisions of Title 51 RCW. In the event that County incurs attorney fees and/or costs in the defense of claims, for damages within the scope of this section, such fees and costs shall be recoverable from the Consultant. In addition King County shall be entitled to recover from the Consultant fees, and costs incurred to enforce the provisions of this section.

Claims shall include, but not be limited to, assertions that the use or transfer of any software, book, document, report, film, tape, or sound reproduction or material of any kind, delivered hereunder, constitutes an infringement of any copyright, patent, trademark, trade name, or otherwise results in unfair trade practice.

Nothing contained within this provision shall affect and/or alter the application of any other provision contained within this agreement.

King County reserves the right to approve deductible/self-insured retention levels and the acceptability of insurers.

PART 4: CORRECTIVE ACTION

If the County determines that a breach of contract has occurred, that is the Consultant has failed to comply with any terms or conditions of this Contract or the Consultant has failed to provide in any manner the work or services agreed to herein, and if the County deems said breach to warrant corrective action, the following sequential procedure will apply:

- A. The County will notify the Consultant in writing of the nature of the breach;
- B. The Consultant shall respond in writing within three (3) working days of its receipt of such notification, which response shall indicate the steps being taken to correct the specified deficiencies. The corrective action plan shall specify the proposed completion date for bringing the Contract into compliance, which date shall not be more than ten (10) days from the date of the Consultant's response; unless the County, at its sole discretion, specifies in writing an extension in the number of days to complete the corrective actions;
- C. The County will notify the Consultant in writing of the County's determination as to the sufficiency of the Consultant's corrective action plan. The determination of sufficiency of the Consultant's corrective plan shall be at the sole discretion of the County;
- D. In the event that the Consultant does not respond within the appropriate time with a corrective action plan, or the Consultant's corrective action plan is determined by the County to be insufficient, the County may commence termination of this Contract in whole or in part pursuant to Section IV.B;

- E. In addition, the County may withhold any payment owed the Consultant or prohibit the Consultant from incurring additional obligations of funds until the County is satisfied that corrective action has been taken or completed; and
- F. Nothing herein shall be deemed to affect or waive any rights the parties may have pursuant to Section IV, Termination Clauses, Subsections A, B, C, and D.

- B. "Subcontract" shall mean any agreement between the Consultant and a Subcontractor or between Subcontractors that is based on this Contract, provided that the term "subcontract" does not include the purchase of (i) support services not related to the subject matter of this contract, or (ii) supplies.

- A. Non-Discrimination in Benefits to employees with Domestic Partners

King County's Equal Benefits (EB) Ordinance 14823 states that to be eligible for award of contracts at a cost of \$25,000.00 or more, firms must not discriminate in the provisions of employee benefits between employees with spouses, and employees with domestic partners. The successful Contractor, bidder or proposer shall be required to complete a Worksheet and Declaration form. Compliance with Ordinance 14823 is a mandatory condition for execution of a contract. The EB Compliance forms, and Ordinance 14823 are available online at: <http://www.metrokc.gov/finance/procurement/forms.asp>

- B. Disclosure – Conflict of Interest

King County Code Chapter 3.04 is incorporated by reference as if fully set forth herein and the Consultant agrees to abide by all the conditions of said Chapter. Failure by the Consultant to comply with any requirements of this Chapter shall be a material breach of contract.

1. The Consultant covenants that no officer, employee, or agent of the County who exercises any functions or responsibilities in connection with the planning and implementation of the scope of services funded herein, or any other person who presently exercises any functions or responsibilities in connection with the planning and implementation of the scope of services funded herein shall have any personal financial interest, direct or indirect, in this Contract. The Consultant shall take appropriate steps to assure compliance with this provision.
2. Violation of this Section shall constitute a substantial breach of this Contract and grounds for termination pursuant to Section IV (B) above as well as any other right or remedy provided in this Contract or law.
3. The King County Board of Ethics maintains a website that provides information regarding King County ethics requirements. To review specific areas of the Code of Ethics that relate to contractors and vendors, follow this path: <http://www.metrokc.gov/ethics/>, and access 1) The Code of Ethics, "Employee Code of Ethics 3.04", and 2) Advice and Guidance "Doing Business with Contractors, Vendors, Clients and Customers". Under "Employee Code of Ethics 3.04", there are two areas of the code that speak specifically to contractors: 3.04.060 B1 (attempting to secure preferential treatment) and 3.04.120 (disclosure of interests by consultants requirement). There are other sections under conflict of interest, 3.04.030 that are directed to employees and govern their relationships with contractors.

- C. Recycled/Recyclable Products

It is the policy of King County to use recycled materials to the maximum extent practicable (King County Code Chapter 10.16). Consultants able to supply products containing recycled materials that meet

performance requirements are encouraged to offer them in bids and proposals and to use them wherever possible in fulfillment of contracts.

The Consultant shall use recycled paper for the production of all printed and photocopied documents related to the fulfillment of this Contract and shall ensure that, whenever possible, the cover page of each document printed on recycled paper bears an imprint identifying it as recycled paper. If the cost of recycled paper is more than fifteen percent higher than the cost of non-recycled paper, the Consultant may notify the Contract Administrator, who may waive the recycled paper requirement. The Consultant shall use both sides of paper sheets for copying and printing and shall use recycled/recyclable products wherever practical in the fulfillment of this Contract.

D. Proprietary Rights

The parties to this Contract hereby mutually agree that if any patentable or copyrightable material or article should result from the work described herein, all rights accruing from such material or article shall be the sole property of the County. The foregoing shall not apply to existing training materials, consulting aids, check lists and other materials and documents of the Consultant which are modified for use in the performance of this Contract.
